Cygnus Aerial Photography (Cygnus Aerial) provides Drone/UAV aerial survey, aerial imaging and filming service. Founded in 2010, as an industry pioneer leading Drone Operator in Bangladesh. It's an entrepreneurial platform, motivated by social business responsibilities. In 2022, we moved to 'Impact Hub Dhaka', which is an entrepreneurial platform, a collaborative workspace in 'Grameen Telecom Building', a social business hub in Bangladesh. Cygnus Aerial also provides service in the Southeast Asian geographical zone, especially in Bhutan & Nepal.
